

NEW REMEDY FOR TRUSTS.

Governor Stokes Says Minister Can Do More than Lawmakers.

Atlantic City, March 14.—Before the masters of the New Jersey conference Governor Edward C. Stokes advanced the suggestion that prayer and preaching would be a better remedy for the evils of trusts and railroad combinations than the usual laws enacted by state and nation. This was brought out in an address to a newly ordained class of ministers.

"While I am a full believer in passing remedial legislation," he said, "it has been my experience that any sort of law will be circumvented by human ingenuity. What is needed is a higher sense of honesty and right, which will prevent the oppression of the poor by those in power, and incultation of this principle is the business of the preachers of the country rather than the legislators."

Maniac at the Throttle.

Chicago, March 14.—Climbing stealthily aboard a switch engine on the Illinois Central railroad, near Ninety-first street, an insane man opened the throttle and ran the engine at full speed to Parkside, several miles away. Reversing the lever he leaped from the locomotive, which flew back over the route which had just been traversed, and crashed into another switch engine near the starting point. Both engines were thrown from the track and badly damaged. The engineer of the second locomotive, having warning of the approach of the runaway, leaped in time and escaped.

Incredible Brutality.

It would have been incredible brutality if Charles F. Lemberger of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at all drug stores.

Receiver for Alabama Railway.

Birmingham, Ala., March 14.—Henry B. Gray, of this city, has filed a petition in the Montgomery courts asking that a receiver be appointed for the South and North Alabama railroad, and that the Louisville and Nashville railroad be enjoined from voting its stock in the South and North Alabama railroad for any purpose whatever until the courts decide whether \$27.50 a share is an adequate price for the stock.

GOT HIS HAIR BACK.

Was Perfectly Bald When He Started to Use Newbro's Herpicide.

Frederick Manuell, Maryland block, Butte, Montana, bought a bottle of Newbro's Herpicide, April 6, '99, and began to use it for entire baldness. The hair follicles in his scalp were not dead and in 20 days he had hair all over his head. On July 2 he writes, "and today my hair is as thick and luxuriant as any one could wish." Newbro's Herpicide works on an old principle and with a new discovery—destroy the cause and you remove the effect. Herpicide destroys the germ that causes dandruff, falling hair, and finally baldness, so that with the cause gone the effect cannot remain. Stops falling hair at once and a new growth starts. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Decision in a Peonage Case.

Washington, March 14.—In the peonage case against Samuel Clyatt, vs. the United States, the supreme court of the United States today reversed the decision of the circuit court of appeals for the fifth circuit in favor of Clyatt, who was charged with "returning" to involuntary servitude two negroes named Gordon and Ridley. The opinion was handed down by Justice Brewer and while it upheld the constitutionality of the law for the punishment of peonage it held that as the record failed to show that the negroes had ever before been in custody the charge of "return" them could not be sustained.
